LONDON E16

Studios, 1, 2 & 3 bedroom apartments

Original London Waterside Living

Welcome to Hoola, where the concierge is waiting to greet you

The concierge at Hoola is there to make life easier as well as being an important element in security for residents.

However, even before you reach the concierge, Hoola is impressive. You'll see the towers from afar, and as you get closer, the lush landscaping that surrounds the development.

There is access to Hoola for pedestrians at three points from Tidal Basin Road, where crossing points have been provided. At the south west corner of the development is the entrance to the car park, which has space for motor vehicles and cycles. The exit from the car park is on the northern edge of Hoola.
